HOME INSPECTION SOFTWARE

Step by Step

How To

Start a New Inspection on the App

*This How To article will show you how to start
a new inspection on the Palm-Tech App*

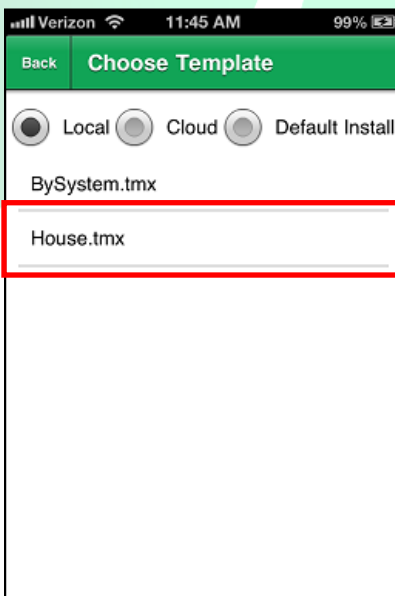

For a complete list of available How To documents visit the
Support section of our website: www.palm-tech.com/support/

HOW TO: START A NEW INSPECTION ON THE APP

1. The first step is to tap on 'New' on the opening screen of the app.

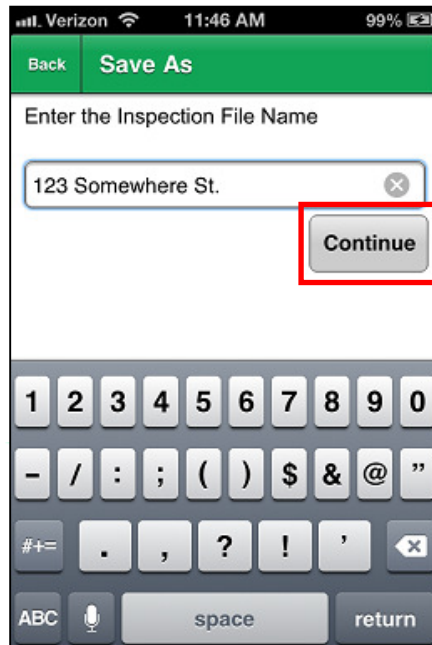

2. Next, the 'Choose Template' screen appears. From here you can select a template from the 'Local' device, your 'Cloud' drive or the 'Default Install'. To select a template, simply tap on it. Let's tap on the 'House.tmx' template from the 'Local' device.

HOW TO: START A NEW INSPECTION ON THE APP

- Next, the 'Save As' screen appears. Here you can give your inspection file a name by tapping in the entry box. When finished, tap on 'Continue'.

- You have now started a new inspection and can begin entering information.
