## HOW TO: USE PICTURE REVIEW IN THE APP

1. The picture review will allow you to cycle through all of the pictures that were added to the report on the app. To get to the picture review, tap on the 'Pics' button on the toolbar on the 'Choose Category' screen. If you don't see it, you may need to scroll to the right on the toolbar by swiping your finger on it.

2. This will bring up the 'Review Pictures' screen. By tapping on the 'Prev' and 'Next' buttons, you are able to cycle through and look at each picture that has been added to the inspection.
