

How To:

Delete Lines on the App

This step by step How To article explains how to delete lines on the Palm-Tech App

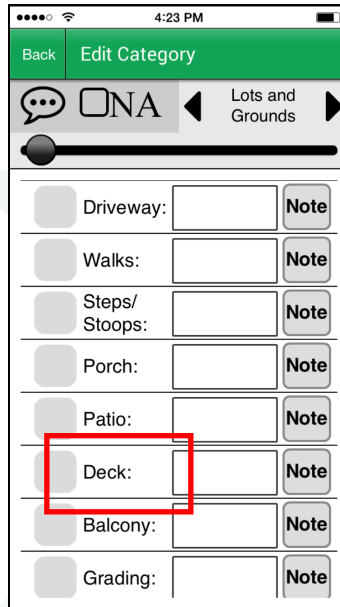

For a complete list of available How To documents visit the Support section of our website: www.palm-tech.com/support/

HOW TO: DELETE LINES ON THE APP

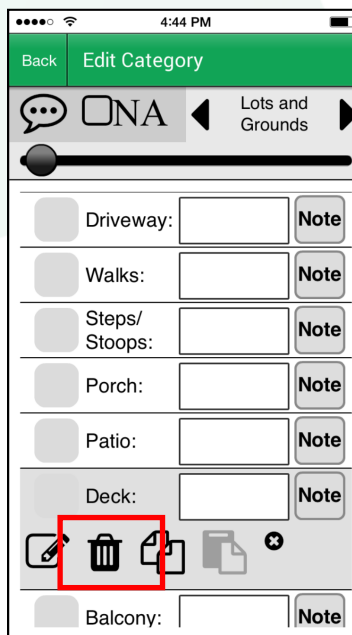

You can delete lines from your inspections when using the Palm-Tech App. There are two ways to delete lines which are covered below.

Deleting Lines from the Edit Category Screen

1. To delete a line, you first need to press your finger on the prompt for the line you want to delete. In this example we'll delete the deck line.

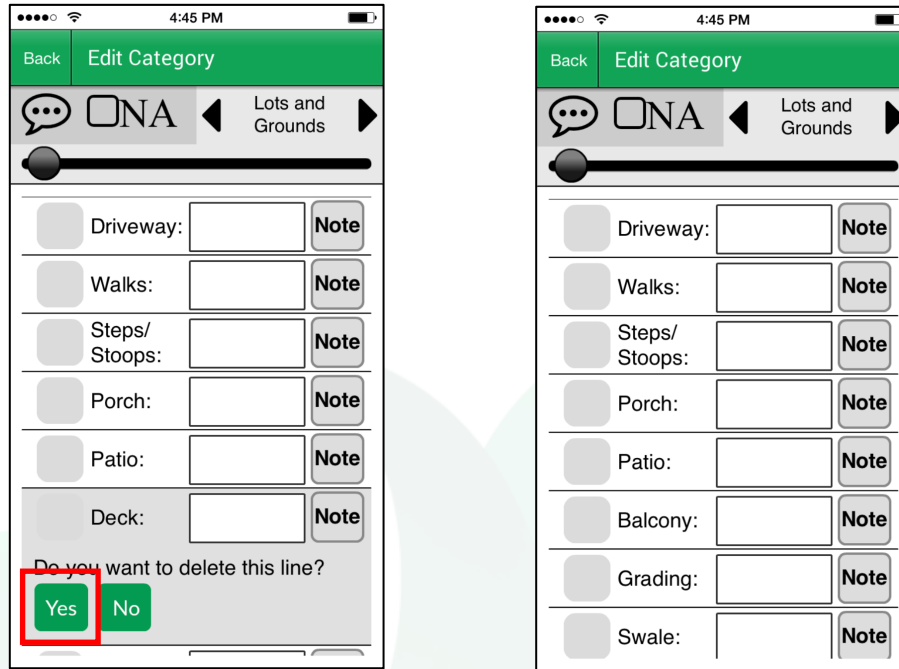

2. This will bring up the 'Edit' options for the line. Tap on the 'Delete' icon to delete the line.

3. You will now see a prompt asking 'Do you want to delete this line?'. Tap on 'Yes' and the line will be removed from the inspection.

Deleting Lines from the Edit Line Screen

1. To delete a line from the Edit Line screen tap on the 'Delete' icon from the toolbar.
