How To: RENAME AN INSPECTION ON THE APP

There may be times when you want to rename an existing inspection file on the Palm-Tech App. The steps below walk through how to do this.

1. On the 'Choose Category' screen tap on the 'Rename' icon from the toolbar.

2. This will bring up a box where you can give the file a new name. Tap in the box to bring up the keyboard and type in the new file name. Tap on 'Save' when finished.
