

How To:

Use Cost Estimates on the App

This step by step How To article explains how to use cost estimates on the Palm-Tech App

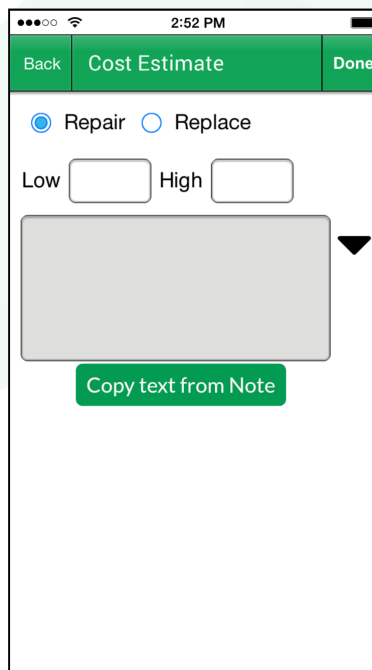

For a complete list of available How To documents visit the Support section of our website: www.palm-tech.com/support/

How To: Use Cost Estimates ON THE APP

1. At the top of the Edit Line screen there is an icon with a dollar sign on it. To enter a cost estimate, tap on this icon.

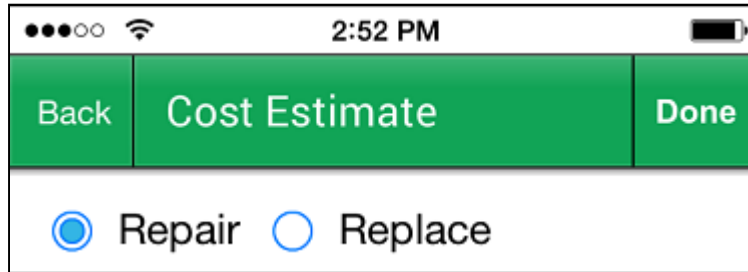

2. Tapping on this button pulls up the Cost Estimate screen.

How To: Use Cost Estimates ON THE APP

- Here you can choose whether you are giving a cost estimate to repair or replace the item. Select either option by tapping the circle next to 'Repair' or 'Replace'.

- Next, you can enter a low cost and a high cost to provide an approximate amount for the repair.

Low High

- In the note box, you are able to add a note about the cost estimate. You can also tap 'Copy text from Note' and the note that you entered on the Edit Line screen will be entered here.
