

Declaration of RoHS Compliance

Supporting the Green Environment has always been IPEVO Corp.'s policy, hence the products are required to meet the requirements of Green Environment from design, manufacturing to shipping.

To comply with the Directive 2011/65/EU and (EU)2015/863 (hereinafter "Directive of RoHS") , we already requested our suppliers, subcontractors and vendors in association to fully cooperate and promote the green products which meet the standards set forth on certain hazardous substances in Directive of RoHS.

RoHS restricts the use of the hazardous substances listed as below

Substance	Maximum Limit (ppm)
Cadmium (Cd)	100
Lead (Pb)	1000
Mercury (Hg)	1000
Hexavalent Chromium (Cr6+)	1000
Poly Brominated Biphenys (PBB)	1000
Poly Brominated Diphenyl Ethers (PBDE)	1000
Bis (2-ethylhexyl) Phthalate (DEHP)	1000
Butyl benzyl phthalate (BBP)	1000
Dibutyl phthalate (DBP)	1000
Diisobutyl phthalate (DIBP)	1000

Therefore, we guarantee that all our products, including accessories, packing materials, and other materials that might come with the products, would be compliant with RoHS.
