

How to Upload a Photo to the Directory

Step 1

On your computer, go to [LDS.org](https://www.lds.org) and click the sign in button on the top right of the screen. Once logged in click your name at the top right of the screen.

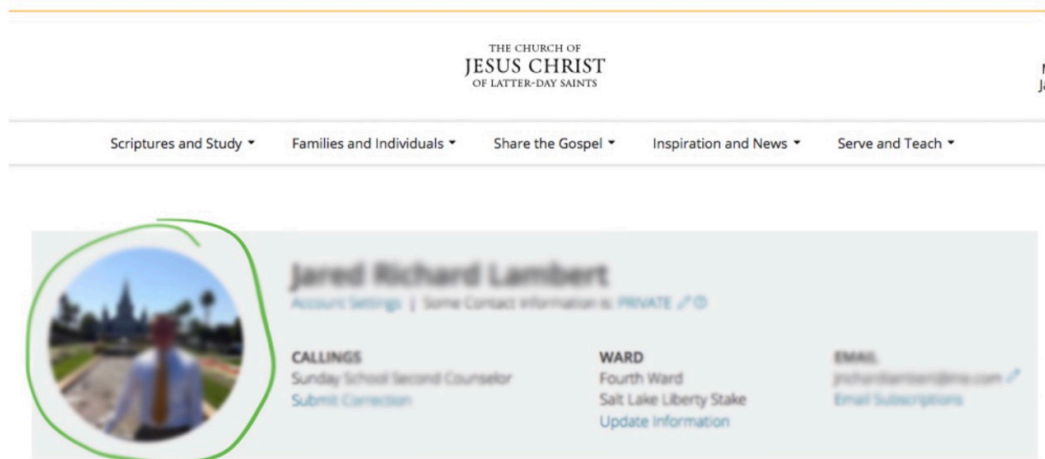

Step 2

My Account	My Ward	Tools and Support
Account Settings	Directory	<u>All Tools</u>
My Temple	Calendar	Meetinghouse Locator
My Family Tree	Donations	Leader and Clerk Resources
Notes	Ward Map	Locations and Schedules
Patriarchal Blessing	Full-time Missionary Portal	Mobile Applications
Full-time Missionary Portal		Recreation Camps
		Help Center
		Online Store

Under the "Tools and Support" section, click the "All Tools" button

Step 3

On the "All Tools" page select the circular space, to the left of your name and information.

Personal and Family

Step 4

Drag and drop a photo into the space provided. Alternatively, you can select the green "Upload Photo" button and find a photo in your files or take a photo through the computers camera.
