

PARENT HANDOUT

We know students have many activities during the summer, and we understand the financial commitment of camp on families. But, we also know the importance of a camping experience in the life of a student. We certainly hope you will choose to allow your child to attend FUGE Camps for the summer of 2019!

Here is a look at what your student will experience each day at camp:

Quiet Time - Each morning, students will have the opportunity to spend time with the Lord, working through a devotion we provide to reinforce the camp theme.

Morning Celebration - Camp attendees will gather to kick off each day in a high-energy way with worship, games, and a word from the camp pastor.

Bible Study - Spending time in God's Word is top priority at FUGE Camps. Our trained staff members will lead this time each day, following a plan that addresses the overall theme with daily themes.

Worship - Each evening, all camp participants gather for a time of corporate worship, prayer, and a message from the camp pastor that reinforces the biblical theme for the day.

Church Group Time - During this time, church groups gather to unpack the way the Lord is working in their lives during their time at camp.

Night Life - These events take place in the afternoon or evening at camp and allow students to participate in camp programming in a really fun, interactive way.

Depending on which FUGE Camp your church has chosen to attend, your student will also spend time serving at a ministry site with MFuge or participating in a recreation time that helps connect their lives to the camp's daily theme with Centrifuge.

Every element of camp is intentionally designed to connect students with God, His Word, their peers, and student ministry leaders.
