97% SUBMITTAL INDEX

Documents Guiding the Basis of Design for the Completion of Schematic Design Documents

1. All Staff Reports and back up documents. Specifically, the ones directing design advancement, providing schematic design overview and future work.
2. Design Studio Schematic Design Scope Document.
3. Approved Master Plan and associated conditions.
4. VTTM 17008 and associated conditions.
5. Original Development Agreement.
6. Original Master Implementation Agreement.
7. Final Environmental Impact Report, Dated May 2003.
8. Wildlife Study, May 2004.

GREAT PARK DESIGN STUDIO

97% SUBMITTAL

This entire submittal package comprises one coordinated schematic design document. This package and its entire contents are to be used as a whole. Any review of this submittal should not be conducted on individual parts but as a whole in order to clearly comprehend the totality of the schematic design of the Orange County Great Park.
