

11-28-2020 KH7U Kimo

USB 2.0 A to B

Tripp-Lite & other products with Ferrite or real short (but not both)  
w/ferrite 0.5 meter shortest

w/o ferrite 1 foot and one 6 inch shortest.

I did not do an exhaustive search. Perhaps Belkin can be purchased elsewhere, cheaper. L-Com owns Show Me Cables. I've purchased Tripp-Lite, SF Cable and Show Me Cable as well as L-Comm. All good.
