Team Furry Jedi

Jeffrey Detwiler / Mary Detwiler
1978 MGB Roadster

Along with 30 other teams, we are participating in a special event and fundraiser for a very worthwhile cause. The event is called *America's British Reliability Run* www.britishreliability.org/home-pa

We are participating in the PA run where the group is raising money for the **Pediatric Orthopedic program at Shiners Hospital For Children**. Thanks to the cutting-edge medical care provided at these hospitals, thousands of children have a greater chance of surviving from all types of orthopedic issues every year.

We are asking for your help in supporting **TEAM Furry Jedi** in our goal to raise at least \$300.00 for Shriners Pediatric Orthopedics program by making a donation to our team.

You can donate directly to our team using the link on the website: www.britishreliability.org/2021-teams or you can send a check (amount at your discretion) made out to "**Shriners Hospitals For Children**" directly to us and we will present it to them along with the other ABRR participants. We can handle cash donations as well and all donations will get a 100% tax deduction acknowledgement letter from the charity.

For reference, here are some quick suggested amounts:

Team Furry Jedi Bio...

Jeffrey and Mary Detwiler are the original owners of their classic 1978 MGB Roadster. Jeff purchased his MGB off the showroom floor at Reedman's in Langhorne, PA in March 1978. It was Mr. Detwiler's everyday all-season driver for the first 9 years up to 1987, then placed in storage until 2003. He began to perform a series of mechanical restorations in 2004 and they have traveled to four National MG conventions driving their MGB to three of them.

Jeffrey and Mary are regularly involved with various charitable, non-profit organizations year round. In her professional career, Mary worked for many non-profit organizations around the Philadelphia area so they are uniquely aware of the power and need for individuals to support charitable causes. This will be their first time supporting a charity with their MGB and participating in their first ABRR fundraiser for Shiner's Hospital. How better to blend the joy and excitement of driving their little British car around the countryside and helping others at the same time.

We are so excited and Thankful to have to opportunity to offer our support "driving for kids".
