INDIA MEETUP 2020 (VIRTUAL)

Data@Edge: Today and Opportunities ahead..

12 Sept. 2020 | 10 a.m. to 12 noon (GMT+5:30)

<http://bit.ly/sodaindiameetup>

1

SODA: One Data Framework, Infinite Possibilities

10:00 a.m. to 10:10 a.m.

Steven Tan (Board Chair, SODA Foundation & CTO, VP, Futurewei, USA)

What is SODA and One Data Framework

2

Sustainable Data Management at Edge

10:10 a.m. to 10:30 a.m.

Narayanan Subramaniam, Director of Engg & Sr. Staff Architect, Nutanix

Data Pipe-lining and Processing Performance at the Edge and Core, coupled with the need for Power and Energy Efficiency.

3

Evolving Hadoop to Cloud Native Era at Edge

10:30 a.m. to 10:50 a.m.

Mukul Kumar Singh, Engineering Manager, Cloudera

Hadoop and other projects for BigData at Edge

4

Edge Data Management Challenges

10:50 a.m. to 11:10 a.m.

Vinod Eswaraprasad, Chief Architect, Global Head of Cloud & Platform Practice, Wipro.

Sanil Kumar D., SODA Foundation TOC & Arch WG Lead, Huawei Technologies

Edge introduction, Data Management Requirements, Challenges, and Future

5

Lightning Talk - 1 : ROOF computing and Data @ ROOF

11:10 a.m. to 11:20 a.m.

Nishant Krishna, Innovator, Inventor, Architect, IEEE ROOF Spec Core Member

6

Lightning Talk - 2 : Let us understand kube-fledged

11:20 a.m. to 11:30 a.m.

Senthil Raja Chermapandian, Principal Software Engineer, Ericsson, Open Source Contributor/Architect

7

Students Panel Discussion: How to contribute to open source

11:10 a.m. to 11:30 a.m.

Shivay Lamba (Open Source Enthusiast, GSoC Mentor, GCI Mentor)

Utkarsh Bhat (Fresher Graduate, Open Source Enthusiast)

Joy (SODA Contributor, Student, Open Source enthusiast)

Zeynep Biyikli (Student, Open Source Enthusiast)(University of Washington)

Participate and win goodies!
