Purpose of Call

- Continue discussion that was curtailed in General Meeting

- Preparation for Collaboration Summit / Forum
  - Align on how talk about status with newbees
  - Get input from those who won’t be there

- Call logistics
High Level Agreement; Healthy Debate

**Agreement**
- Compliance is a problem
- A standard communication format can help reduce cost of compliance
- License list is great asset
- Specification has to evolve and is in the process
- The direction is for hierarchy and signing

**Areas of Discussion**
- Some companies feel to roll out they need hierarchy
- Question of degree of backward compatibility required
- Some feeling that licensing treatment could be simplified
