A tragicomic, inspirational memoir of surviving the Holocaust we seldom hear about. The author spent nearly three years on the road with the Hungarian forced labor battalions during WWII, taking him from Budapest to the area of Stalingrad. Armed with only his wits, a smattering of courage, some unexpected help and lots of luck, he survives the brutal conditions with his joie de vivre and sense of humor intact. During this time, his tasks included all the common work assigned to forced laborers: road repair, building defensive fortifications, supplying tanks with fuel, clearing mine-fields, as well as the common military

#### Lost Lost Relative

Reviewed in the United States on May 10, 2012

There are many Holocaust stories; most tend to be real "downers". This story is an honest, easy-read with touches of humor that reveal the spirit, ingenuity and luck of the survivor. If you are going to read one Holocaust story, this is the one.

#### Unarmed soldiers!!!

Reviewed in the United Kingdom on January 22, 2013

**Verified Purchase**

Exactly what it says, this is a story of a Hungarian 'labourer' who went to war with the Germans... Unarmed! The hardships faced by the author in his travels are without comparison. Luck on his side and people he knew kept him alive. An amazing story and well written.

**Sehr empfehlenswert!**

Reviewed in Germany on April 15, 2013

**Verified Purchase**

Daß ein Jude, in diesem Fall ein ungarischer, die Hitler-Zeit überlebt hat, ist als solches schon ungewöhnlich genug. Aber Fodor Andras, wie er ursprünglich hieß, verbrachte diese Zeit nicht etwa in einem Versteck. Wie so viele andere ungarische Juden, wurde er von der ungarischen Armee eingezogen, und zwar in eine Zwangsarbeiter-Kompanie mit der Nummer 101/10. Sie bestand ursprünglich aus 330 Mann, von denen nur 30 lebend zurückkehrten. Diese Männer folgten den für Deutschland kämpfenden ungarischen Truppen und waren unbewaffnet. Ursprünglich fuhr Fodor einen Lastwagen, der Treibstoff für die drei (!) einzigen ungarischen Panzer transportierte. Später mußte er einmal sogar ein Minenfeld mit roten Fahnen begrenzen, dessen Ausmaße nur ungefähr bekannt waren. So kam er bis Stalingrad. Er geriet immer wieder in Lebensgefahr. Durch Intelligenz, Kaltblütigkeit, eine gehörige Portion chuzpe und viel Glück (aber in Wirklichkeit wohl eher durch die Bewahrung Gottes) konnte er schließlich, nur leicht verletzt, in das heimatliche Budapest zurückkehren, wo er das Kriegsende erlebte - auch das immer wieder in höchster Gefahr. Er schildert das alles sehr anschaulich, spannend und mit dem unvergleichlichen jüdischen Humor. Das Buch ist eine fesselnde, empfehlenswerte Lektüre!
