	A Capital Place to Dine	A frosty locale on a hill And there's plenty of borscht to kick. But look at their shirts if you will; A bear plays what to make music?	400
	A Cheeky Beverage	Where pain brings you tasty pleasure Your tongue will find ironic tones. Humane sourcing is their measure But which drink plays the game of thrones?	400
	Bouncing Back Is a Bad Thing	Have an ax to grind with your friends? Dress casually without glamour. To follow the lumberjack trends Name the game where you must hammer.	400
	Do a Little Dance	Here Alice plays golf, not croquet. Where an old cannery once was. Out of all the holes you can play Which one borders the land of Oz?	400
	Four Legs and a Tale	Both the tortoise and the hare be in the midst of this tale. Once you figure out the where, Tell us, when did it unveil?	400
	Go Lower	Where the farmer meets with a prince A dog offers up a ballad. The answer we want is no quince. Just what's in their blue cheese salad?	400
	No Walk In the Park	Twixt 94 and 35 A highway, but halfway divert. Find a station, maybe a dive, And tell us what is for dessert.	400
	Seventh Heaven	A great steak with a bit of char And a martini that is swirled On their stage this big baseball star Once sang "It's a Wonderful World".	400
	Treasure on Tap	At cards, while not polite to cheat Get decks in your favor when able. Then enjoy a brew from your seat Or play this game at their table.	400
	Two Quarters In	Our game can go all day But at the midway pause What's the game you would play Underneath the applause?	400

	A Real Slugfest	When it comes to beer, it's the tops. Pioneers who didn't settle. Might those be Canadian hops? Look outside for the big kettle.	500
	Across an Era	You could go to the east or west, Either way you'll shop like a queen. What will make us grandly impressed- A pic where a dragon is seen.	500
	Cheese and Rice	Dessert's a time for indulgence And so not just one scoop but two! Run this errand for us just once- Selfie with a hot guy in view.	500
	Double Vision	When drinking tequila down south It might seem you're seeing plural. One has Mezcal for a small mouth. There take a pic with the mural.	500
	Music Lover	Have a burger that's most juicy Or drink some green beer as a gag. We'll know it's the place when we see In your backdrop an Irish flag.	500
	Obviously It's In St. Paul	In our city you'll find a brew On the land of sky blue waters. A brick wall pic is your to-do Beware iffy science plotters.	500
	Off Campus	Ol' Nessie can be hard to find So have a pint when at the lot. An onion helps gets you aligned Snap the pic where X marks the spot.	500
	Outside the Arcade	With some bourbon at the new digs, There is a smoky sense of class. Show us a photogenic pig With a backdrop of etched glass.	500
	Sweet! Double Orange!	When looking for a fancy treat, Past gumdrop mountains you will see The sweetest downtown place to eat. Now take your picture with Lucy.	500
	Winter Wonderland Is Our Favorite Flavor	A frozen treat is more than great, At an ol' fashioned store of fame. Now take a photo where you ate With a neon cone in the frame.	500

	Beer Ala Mode	There in St. Paul's land down under A prominent street lends its name. Is a bell of help I wonder? Have a brew outside by the flame.	600
	Drive Your Taurus Here	This place is not merely a bar, They have hot dogs that are great too. Highlighted with a yellow star, This town is just one of a few.	600
	Fred Is Happy to Help You	These bros have a sauce most unique. Maybe it has a Swedish touch? A setting that's almost antique But with pasta, don't eat too much.	600
	Get Thee There Chop! Chop!	A Victorian house for steaks Or grab a drink up at the rail. It's been "it" for folks' dinner breaks Along what was once a deer trail.	600
	Holy Mole!	Now don't come here to be a pest. Rather search over hill and dale. Chips and salsa might be the best And choose Corona over ale.	600
	I Hope This Sour Ale is an Anomaly	Home of Winter Carnival Ale, They've been known to brew up a storm. You'll find yourself hot on the trail Where the street grid does not conform.	600
	Learn by the Socratic Method	A mapping fluke where south is west Bridges to wonderful dining. The patio says "Be our guest!" Near where they once did some mining.	600
	The Place Next Door is Bizarre	Biden might like the food daily. Mr. Lee might say "Super drinks!" Not a place to watch sports palely. More Kelly Green is what me thinks.	600
	TIEBREAKER! - Skate By on This One	If you're seeking a time that's wild Then drop in on this former star. In his city people get riled But leave it to players to spar.	600
	We Love You Too	Higher education will lead you To a place where everything's green. It's a capital idea to Take in a wee bit of the scene.	600
