Young, Vulnerable, and Unattended: Maternal and Newborn Health Services for Adolescents

Webinar Series

Save the Children, in partnership with youth-led organizations, [WETEC](#) and [UYAFPAH](#), invite you to a 3-part webinar series targeting policy makers, implementing organizations, adolescents, donor agencies, ministries of health and advocates. The series will include the following sessions:

- 1** Why should MNH services be more responsive to the needs of adolescents and their newborns during pregnancy, birth and the postpartum period?
19 October 2021 from 13-14:30 GMT
- 2** How should we adapt existing MNH services to be more responsive to the needs of adolescents and their newborns?
2 November 2021 from 13-14:30 GMT
- 3** To what extent are adolescents visible in global commitments for MNH and their monitoring and accountability?
16 November 2021 from 13-14:30 GMT
