**Experience Christmas** this season by joining Bible characters on an outside, walk-through play that will guide you through different scenes in the nativity story. Christmas may look different this year, but there are still lots of reasons to celebrate the birth of Jesus! This year, you will need to **sign up** for a free time slot. Experience Christmas will take place December 15 to 19, from 6 to 9 PM. We hope your Christmas season is filled with awe at what God has done for you!
