

Momentum Fest 2019 Presenter Application

Thank you for your interest in becoming a Momentum Fest Presenter for our 2019 event!

We are looking for presenters who believe in and promote our vision of joy, inclusivity, community and celebration in the world of movement. If you have not attended a previous Momentum Fest, please take a moment to [watch this short promo video](#). It will give you an idea about the kind of experience Momentum Fest is for both teachers and students.

We ask all presenters to be prepared to teach both movement classes and a community/lecture class. Our movement classes are taught to upwards of 150 people and are true classes, meaning the presenter talks everyone through an actual movement class. The community/lecture class is more of a roundtable type format and could range from discussing breathing principles, summer solstice rituals, support for new moms, positive body image and community involvement. We will ask you to give us examples of three different classes you would want to teach on your application below.

Please complete this application and return to us by email at info@momentumfest.com with "presenter" in the subject line. Applications are due by October 15, 2018. We will contact all applicants before November 15, 2018, with the outcome of the selection process.

Thank you again for your interest!
