Devotional Reflections

- *How does Jesus demonstrate “kingly” qualities throughout the events of chapter 18?*
- *Judas betrayed Jesus. The disciples left Jesus. Peter denied Jesus. How do each of these reactions to Jesus’ arrest differ? How is Peter’s sin different from Judas’ sin? What does Peter’s example teach us about the frailty and fickleness of our hearts? And how does Peter’s failure show us the greatness of God’s love and Christ’s work?*
- *What is the irony of Pilate responding to Jesus with the question, “What is truth?”*
- *What is God previewing for us in the example of Barabbas?*
- *How has this passage raised your affection for Jesus?*
