

Connect the dots

Have a bit of holiday fun and practice pencil control and mathematics at the same time with this Steve the Kiwi connect the dots! Simply solve the equations and follow the numbers 1-20 to complete the picture.

1

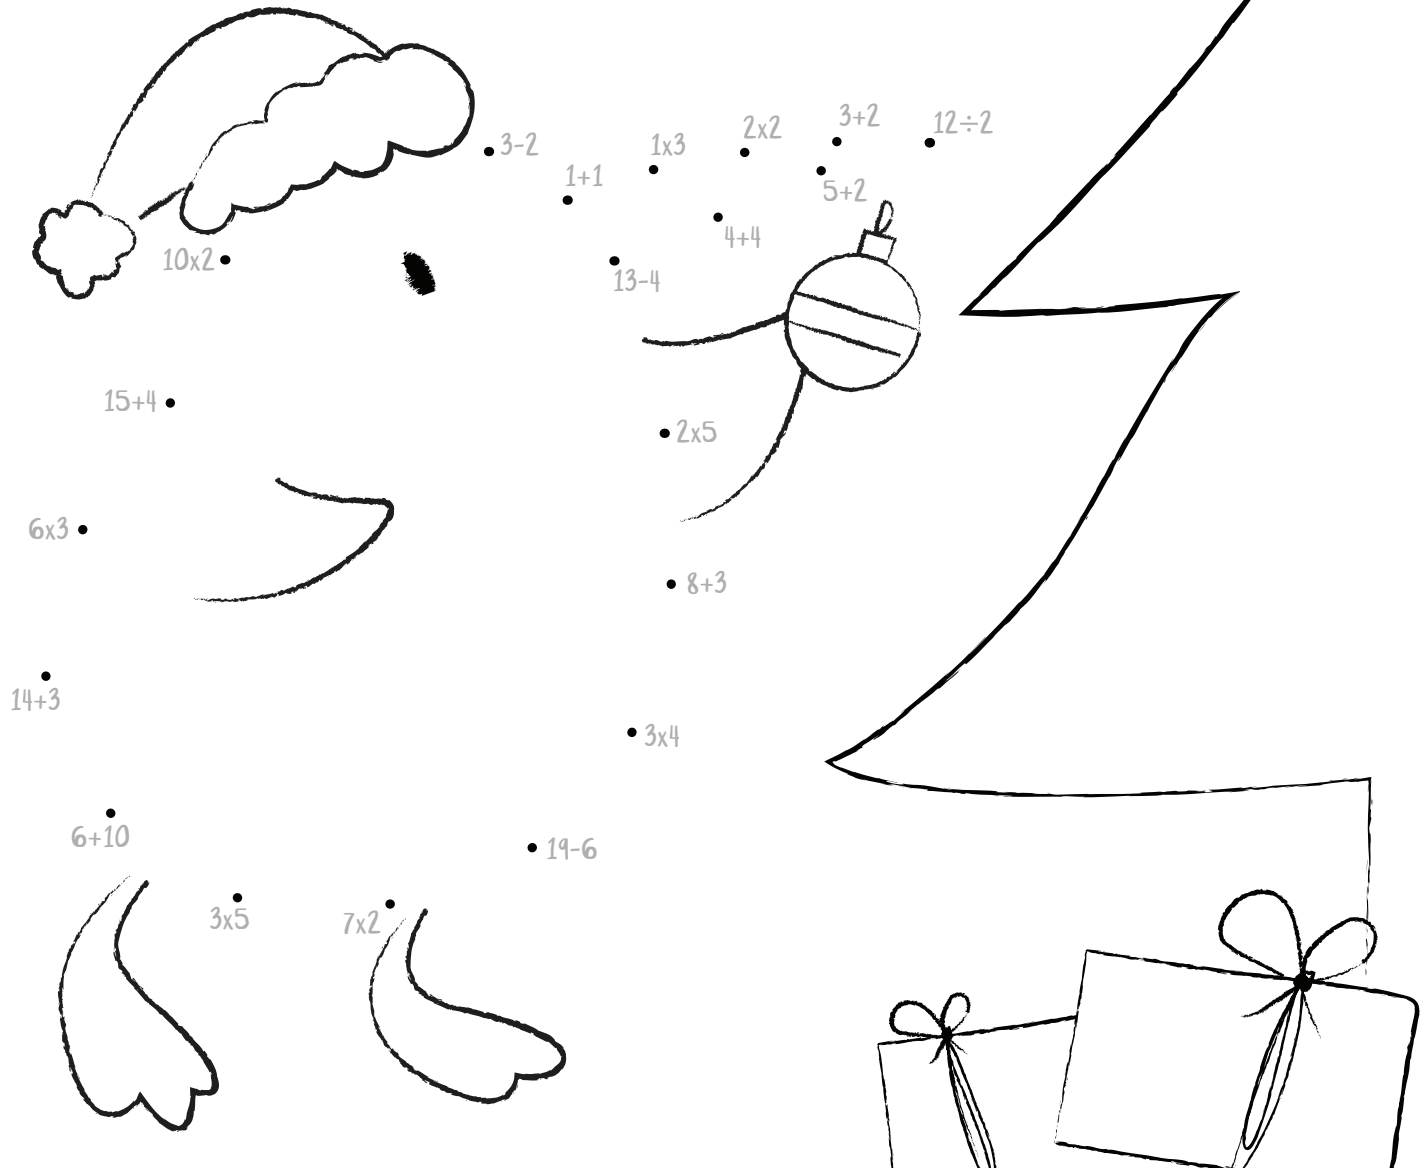

Solve the equations to figure out the number.

2

Connect the dots from 1-20.

3

Color it in and hang for all to see!

Check out our Instagram every day this month for new giveaways, contests, and more!
