Midtown Local Innovation Corridor Overlay District
Intent of the Overlay District

• Develop a creative and cultural corridor along St. Michael’s Drive
• Enhance the corridor including street and safety improvements for pedestrians, bicycles, buses and automobiles that encourage walk ability and a bike friendly environment
- Make streetscape improvements including enhanced landscaping and lighting to create an attractive and inviting neighborhood
- Propose development standards focusing on form-based approaches
Incentivize a mix of housing with a range of densities and uses
