## BALENA 2016

Balena is a delicate, aromatic blend of Pinot Grigio, Falanghina, Albariño, and Grenache Blanc. Balena is Italian for whale, and this blend is a nod to our organically-grown Whale Rock Vineyard, in which most of these grapes are from. Made in an Italian Pinot Grigio style, Balena is crisp, fruity, lean, and refreshing. The Oakenshield Wines are created to celebrate the spirit of the good life and to be enjoyed with friends and family.

### HARVEST NOTES

---

The harvest of 2016 was nearly ideal. No frost events in spring and generally seasonal weather with some well-timed heat spells to aid in ripening the grapes. In September, the temperatures made big swings from night and day which lengthened the hang time on the vines and resulted in very balanced wines with crisp acidity and mild tannins.

### WINEMAKER NOTES

---

What I love about creating blends is the ability to make a better or more complex wine than having the individual wines on their own with harmony and balance being the primary goal. Pinot Grigio provides the acidity and structural base for this blend. Falanghina is added in for texture, creating a lush middle. Albariño and Grenache Blanc are blended in to lift the aromatics adding tropical fruit aromas and flavors.
