HARVEST NOTES: 2020 – that might be enough said! Everything about this year has been unforeseeable. Luckily the grapes were somewhat immuned. Spring was on time with very little threat or damage from frost followed by a long and moderate growing season. We did get a hot spell that reduced the grapes on the vine and some areas struggled. Worse were the fires that caused smoke to hang in the air for days. We were extremely worried about a potentially memorable vintage ruined by smoke taint. We tested everything and are confident we dodged a bullet. Whew! Look forward to full bodied reds and aromatic whites.

Raywood Cabernet Sauvignon is a very approachable wine for any wine drinker. The wine starts with a beautiful maroon red when poured into the glass. Black fruits jump from the glass as you first approach the wine. These soften a bit leading way for red fruit and oak. The wine is rounded out with soft tannins that create a pleasant finish!

Raywood wines are hand-crafted from select vineyards from the Central Coast of California. The wines take advantage of the wonderful climate of warm invigorating days and cool nights. Raywood wines are produced by Castoro Cellars in Paso Robles, California.

Bold and rich, guaranteed to enhance any occasion.

TRUE TO THE VARIETY, RAYWOOD DELIVERS!
