HARVEST NOTES: After 40 harvests one would think all possibilities would have been exhausted and there would be repeat scenarios. I may have to do another 40 to see that happen! Vintage 2022 started with enormous potential for an average yield but with superior quality. The spring was warm, bloom and set saw no bad weather and the summer began perfectly. Our cluster counts were good, and the weather portended for an early harvest. But...there is always a but, just as the berries were sizing up a tremendous heat wave settled in over California and the vines struggled; the berries stayed small, and the yields shrunk. Harvest was still early. The resulting wines though are looking amazing with deep color and wonderful ripe fruit flavors. Our grapes stood up to Mother Nature to bring you bright whites with tons of flavor and reds of uncompromising complexity.

Raywood Cabernet Sauvignon is a very approachable wine for any wine drinker. The wine starts with a beautiful maroon red when poured into the glass. Black fruits jump from the glass as you first approach the wine. These soften a bit leading way for red fruit and oak. The wine is rounded out with soft tannins that create a pleasant finish! This wine is bold and rich, guaranteed to enhance any occasion.

Raywood wines are hand-crafted from select vineyards from the Central Coast of California. The wines take advantage of the wonderful climate of warm invigorating days and cool nights. Raywood wines are produced by Castoro Cellars in Paso Robles, California.

TRUE TO THE VARIETY, RAYWOOD DELIVERS!
