

2019 - ESTATE SAUVIGNON BLANC

One of our favorite wines! Made with grapes grown in our Estate Dos Viñas Vineyard, it is reminiscent of the Marlborough region of New Zealand, highly aromatic and refreshing. This is dry-yet-fruity, with a mouth that is crisp and juicy and a fresh finish. Sauvignon Blanc has good natural acidity that is reflected in its vibrant sensory impression.

PALATE: Citrus and melon flavors, lean crisp mouthfeel that lingers into finish.
