**OVERVIEW**

60-80 words

Small batch production, gentle and minimal processing. Excellent with food as this wine sports a bit of tannin that can stand up to heavier sauces. Come and enjoy with a picnic on Bethel Rd's patio overlooking the expanses of Paso Robles, while enjoying live local music.

**HARVEST NOTES**

60-80 words

2018 was an interesting year. A mild spring led to a favorable bloom and set period for the grapes. The summer had a heat spell for an extended period which pushed the ripening into high gear. After that, the temperatures moderated, and the grapes came in over an extended period. Berries sized up, and the yields were just slightly above our estimates. Great color and extraction all around!

60-80 words

Bethel Rd's first vintage of white wine! Interestingly and unusually 98% fermented and aged in a cement Dolia-tank allowing maturation of fruit flavors without introduction of wood flavors, as well as sur lies aging to give volume to the mouth feel. Two percent of this bottling was also put through secondary malo-lactic fermentation to add that hint of rich butteriness. Loving those subtle layers of flavors. Organically grown grapes.
