## Tempranillo Reserve Whale Rock 2014

Whale Rock Vineyard is a CCOF Certified Organic vineyard in the Templeton Gap that produces some of the best grapes in Paso Robles. This is an awarding treat that explodes with ripe strawberries, framed by cinnamon-spiced plums, and vanilla bean. Barrel aging for 15 months creates a supple, bright, dry-yet-fruity, medium bodied sipper, with a crushed cherry finish. The Spaniards, known for their Tempranillo, would be jealous of this wine's finesse! Enjoy with Paella or pair with tapas and mixed grilled entrees.

Harvest Date	November 1, 2014
