- Installing or replacing machinery, equipment, and new or replacement parts and instruments, using hand or power tools
- Examining and testing machinery, equipment, components, and parts for defects to ensure proper functioning
- Use of smart devices/tablet to fill out PM/WO Orders with appropriate information relative to jobs started or completed during shift
- Fabrication and welding: MIG, TIG, ARC across Mild Steel, Stainless Steel, and Aluminum substrates
- Know how to use measuring devices such as, but not limited to: multi-meter/megger, dial caliper, measuring tape, rule, and micrometer
- Know the proper identification and utilization of shop tools
- Have working knowledge and understanding of industrial systems such as: boiler, pneumatic, hydraulic, motor/pump rebuilds, ammonia/glycol refrigeration, and PLC

QUALIFICATIONS:

- High school diploma or equivalent
- Experience w/480 v three phase, demonstrated mechanical abilities and welding skills
- Own hand tools required
- Knowledge of plumbing, electrical, carpentry, and industrial maintenance
- Previous experience with: forklifts, scissor lifts, and extended reach forklift
- Ability to work at heights and in inclement weather
- Demonstrated ability to plan and organize projects
- Strong organizational, problem-solving, and analytical skills
- Ability to manage priorities and workflow
- Versatility, flexibility, and a willingness to work within constantly changing priorities with enthusiasm
- Ability to work independently and as a member of various teams and committees

- Strong interpersonal skills
- Ability to work on complex projects with general direction and minimal guidance
- Ability to understand any and all safety requirements and cautions

PHYSICAL/MENTAL REQUIREMENTS:

While performing the duties of this job, the employee is frequently required to do the following:

- Lift and carry up to 50 pounds
- Use ladders and scaffolds
- Move furniture, materials, and equipment
- Interpret complex laws, regulations, and/or policies
- Coordinate multiple tasks simultaneously
