About the Justin Turner Foundation

In 2016, Justin Turner created the Justin Turner Foundation, whose mission is to support homeless veterans and children (and their families) battling life-altering illnesses. During the past two off seasons, Turner has organized the now 3rd annual Justin Turner Golf Classic in his efforts to support the Los Angeles Dream Center's Veterans Home. Through his efforts, the Dream Center is able to house over 26 veterans, and Turner is currently working with the Dream Center to open a women's home for veterans in 2018. Additionally, since its founding, the Justin Turner Foundation has provided over 10,000 toys and 2,000 bicycles to children in the Los Angeles area through its holiday giving efforts. Justin also partners with the 17Strong Foundation, which is built on giving patients that are recovering from a life-altering illness a victory trip of their choice, and is working with the Yokota Air Base in Fussa, Japan to help create a softball league for U.S. military children. Additionally, each year he's been with the Dodgers, Turner has supported AM 570's annual Radio-a-Thon by appearing in studio and taking pledges to raise money for the Paralyzed Veterans of America on Veterans Day. Turner not only makes community appearances on behalf of the team, but also frequently schedules his own visits to CHLA, Cedars-Sinai, and Mattel Children's Hospital to spend time with patients and to the Los Angeles Dream Center.
