BLUELIGHT FEATURES: PERSONAL PROFILE

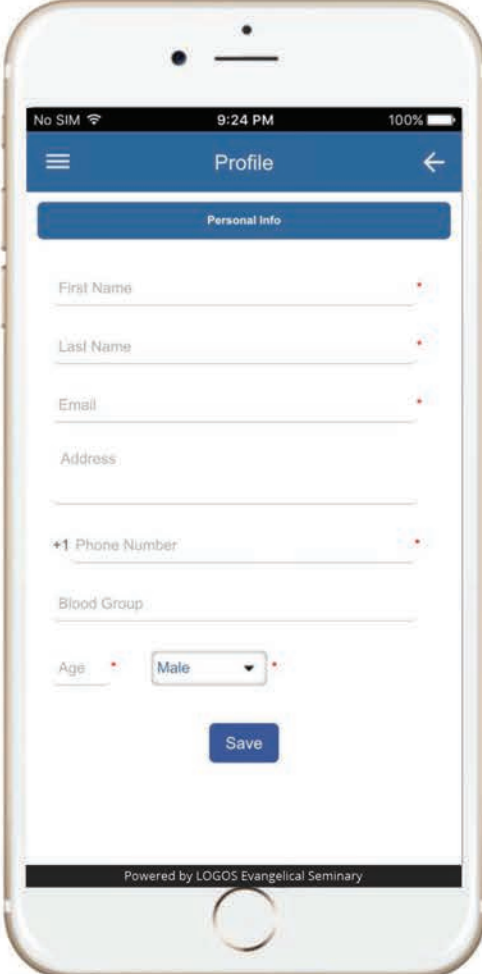

- ❑ Basic personal profile that every user needs to fill up before proceeding
- ❑ Profile includes fields like First Name, Last Name, Email, Phone and Blood Group
- ❑ Blood Group remains optional while all the other fields are necessary to be filled

The image shows a smartphone screen displaying a 'Profile' form. The status bar at the top shows 'No SIM', signal strength, Wi-Fi, the time '9:24 PM', and '100%' battery. The app header is blue with a hamburger menu icon, the title 'Profile', and a back arrow. Below the header is a blue bar labeled 'Personal Info'. The form contains several input fields: 'First Name', 'Last Name', 'Email', 'Address', 'Phone Number' (with a plus icon on the left), and 'Blood Group'. There is also a dropdown menu for 'Age' currently set to 'Male'. A blue 'Save' button is positioned at the bottom of the form. At the very bottom of the screen, a black bar contains the text 'Powered by LOGOS Evangelical Seminary'.
