

Drawing Rules

Add lightning bolts or clouds.

Add lots of shapes everywhere.

Make one unbroken line.

Add a very large shape.

Use only dotted lines.

Draw on top of what's already there.

Avoid all other lines.

Make everything random.

Draw only small shapes.

Add waves.

Rotate the paper before you draw.

Use only squares.

Draw a crown on something.	Draw on the back of the paper.	Use a different color.
Add words.	Connect two or more parts.	Balance the drawing.
