Nursery Care - Sanctuary

Families with Infants and toddlers, including 3 year-olds: The nursery is located in the back, west hallway of the Sanctuary. Our quiet room is also available, across from the nursery, for those who wish to stay with young children while sharing in worship.

Children - Pre-K (4 years) through 5th Grade

Our young, school-age children: Worship is attended as a family until the children are invited up front for the Children's Message. Then, they are excused to go with their teachers to the Sunday School classrooms, in the McCullen Education Building.

Second Sundays - The Sacrament of Communion

On the second Sunday each month: During Sunday School, our children learn about the meaning of Communion before returning to the Sanctuary to receive Communion with their families.
