## MAKE THE CHRISTMAS TREE

Age Range: Pre Kindergarten +
Number of players: 1+
Learning: recognise numbers 1 to 6
You will need:

- 1 Die
- 1 Tree with five cut out pieces per player

## Instructions:

- Make sure you cut out the five parts of each tree before you start playing the game.
- Each player has their own Christmas tree to complete.
- Take turns to roll the die.
- Pick up the piece of Christmas tree with the number on it and put it onto your tree. If you already have this piece of tree, give the die to the other player.
- If you roll a 6, you can pick up any piece of tree that you need.
- The winner is the first player to complete their tree!

## Variations:

- Play the game with more players by printing off more game sheets.
- Throw a 6 to start.
- If you throw a 6 during the game, you get another roll instead of a piece that you need.
