Dear Underground Storage Tank Owner:

Subject: Closure of Underground Storage Tanks

The following attachments include forms and procedures that shall be completed to properly close your underground storage tanks (USTs):

A. Attachment I:

Notice of Intent to Permanently Close Underground Storage Tanks.

This form must be submitted to the Asheville Regional Office at least thirty days prior to anticipated tank closure.

B. Attachment II:

Notification for Underground Storage Tank.

If your tanks have not been registered, you must complete this form and submit it to the Raleigh address shown on the form as soon as possible. When the tank has been permanently closed, this form should be updated to show all changes in tank status and submitted to Raleigh.

C. Attachment III:

Underground Petroleum Storage Tank Fee Payment Form.

Be sure that all fees are paid on each tank before closure. If annual fees have not been paid, submit payment with this form to Raleigh. By law, all fees must be paid on all underground storage tanks.

D. Attachment IV:

Site Investigation Report for Permanent Closure

A site assessment must be completed before the tank site can be permanently closed. This form shall be submitted to this office at the following address:

NC Department of Environment, Health, and Natural Resources
Division of Environmental Management - Groundwater Section
59 Woodfin Place
Asheville, North Carolina 28801

Supporting information as discussed in Sections E. and F. of this letter shall be attached to this form when submitted to the Asheville Regional Office.
