

Happening as we speak, now in Troy!!

.....Offering a unique active-senior setting:

Ultimately walkable to local services:

Walgreen's, restaurants, the adjoining park,

On the active side" of Troy, along the now and future major north-south connector; easy to access from near and far.

We've long believed our location is perfect for our purpose.

Tucked into the west side of Troy on the major north-south

local connector, it's ultimately walkable to local services and the adjacent park,

Troy has a virtual hub of interstates that spread from here in all directions, making it easy for residents to get to other places, and for other folks to get to you.

It's location within Troy is also perfect; Easy access from anywhere; walkable to the major commercial center, a pleasant topography, with a long border with Troy's major public park.
