## Upon Your Arrival

Sunset Island is a private resort community that is guarded 24 hours per day. Access is tightly controlled for the benefit of all who have permission to be on the Island. The rental company/owner that rented your unit to you should have registered your name on a master list of guests who will be coming to Sunset Island on the day of your planned arrival.

Upon your initial arrival, the security guard will provide you with instructions for obtaining your parking passes and rental information. If you rented through a rental agency, parking passes and rental information will be available at that agency.

If you are arriving when the management office is closed, please obtain a temporary parking pass at the entry guardhouse. This pass will allow you to park at select locations on the Island until the management office reopens the following day, but does not grant re-entry through the front gate. The guardhouse is located at the entrance to the Island on 67th Street. Please have your lease agreement, a driver's license or other form of ID, and the unit number you are staying in on hand.

Upon receiving instructions from the security guard, please go directly to the Island management office to obtain your rental package, which contains parking passes, facility passes and important information about the Island.

There is a fee for the rental packages, as follows:

Unit Type	Fee
Condominium	\$82.50
Townhome	\$110
Single Family Home	\$110

The fee can be paid in advance, or upon arrival at the rental agency or management office, by cash or credit card. To pay in advance, please contact your rental company or call the management office at 410-520-0044.

**The management office, now located in the Clubhouse, is open daily from 8 a.m. until 4:30 p.m.; Sunday with limited services.**

## Security

Security is on duty 24 hours a day, seven days a week. To reach the Security office, please call 410-524-3988. If no answer, call 410-488-1791. Roving security may be available to help with a security concern; however, we recommend you contact the Ocean City Police Department at 410-723-6600 or 911.

## Vehicles

No trucks, jet skis or jet ski trailers, boats or boat trailers, campers, RV's or oversized vehicles are permitted on the Island. Passenger vehicles only, please. A list of municipal parking lots that can accommodate this type of vehicle is available at the security guard house.

## Pets

Animals and pets, except for service animals, are prohibited in all Sunset Island rental properties. If you are in need of a kennel for your pet, there are several in the area, including the Dogtel Hotel (410-213-8188) or Paws Time (443-856-9344).

## Occupancy

Each home can only accommodate a maximum number of people, as such Sunset Island has set strict occupancy limits for the rental homes on the Island. All occupants including small children and infants count in determining occupancy.

Unit Type	Occupancy Limit
Condominium	8
Townhome	12
Single Family Home	12

## Parking

Like many resort communities, parking at Sunset Island is limited.

If you are renting a Condominium Unit, you will receive 2 parking passes. One green pass is for a designated space in the parking garage of the building your unit is in, and a second yellow pass allows parking on the clam shell spaces along the roads.

If you are renting a Townhome or Single Family Home, you will receive 3 green parking passes. These passes allow parking on the driveway behind your unit or in the garage of your unit.

The parking permits should be hung from the rear view mirror and must be visible when you are on Sunset Island. Parking on asphalt surfaces is strictly prohibited. Please do not block alleyways. As you'll see below, improperly parked cars may be ticketed or towed.

Guests can purchase one additional clamshell pass per week for \$70. Extra vehicles will need to be parked on a side street in Ocean City or in one of the municipal parking lots in town.

### About that Clam Shell Parking....

Sunset Island was designed to promote a pedestrian friendly environment. To ensure your own safety, please walk on the brick sidewalks, not the streets. Kindly be advised that parking is not permitted on any paved street in Sunset Island, and only in the clam shell parking bays if you have a proper yellow pass and park with the flow of traffic. We have been advised by the Ocean City Fire Department that fire and life safety on the Island can only be assured if the streets remain clear of parked vehicles. Cars found parked in the street or with improper passes for the clam shells will be subject to TICKETING, TOWING and FINE. We would greatly appreciate your help and cooperation to maintain a safe and enjoyable environment at Sunset. If you have extra vehicles please see security for a list of municipal parking lots located off of Sunset Island but throughout the Town of Ocean City.

If your car is towed, you may retrieve it at the Public Safety building located at 6501 Coastal Highway. You may call the Town of Ocean City to inquire if the vehicle has been impounded at 410-723-6610. You will be responsible for any fees associated with your vehicle being towed.

There are three small beaches on Sunset Island:

**Sunset Cove** - near the Clubhouse

**Seaside Lookout** - on the northwest side of the Island

**Hidden Cove** - on the northeast side of the Island

The beaches are located around the perimeter of the Island and are accessible via the path system. When re-entering the pool from the beach, patrons are required to rinse thoroughly in the outside shower. The beaches are maintained daily.

- No boats, jet skis or other motorized watercraft are permitted on the beaches. Please load and unload passengers from watercraft at any of the first three finger piers next to The Landing Restaurant.
- Please dispose of any trash in the trash receptacles on exit from the beaches.
- No fires are permitted on the beaches.
- No fireworks are permitted on the beaches or anywhere on Sunset Island.
- Please do not disturb marine life. Horseshoe crabs are known to mate in the early morning hours. These animals are a protected species. Violators will be prosecuted.

**Be aware that beaches are not guarded! SWIM AT YOUR OWN RISK.**

## Boat Slips

The boat slips located along the south side of the Island are privately owned and available for rent to Sunset Island owners and guests. If you are interested in renting a slip during your stay, please contact Advanced Marina at 410-723-2124 for rates and availability. **Do not place a boat or jet ski in a slip without approval.** Boat slips are available weekly or for the season. Boat slips during the summer months rent for approximately \$350 per week. Because the boat slips are a private facility, access to the docks is limited to those who have leased the slips. If you have not rented a slip, please do not venture onto the docks. Crabbing and fishing is only permitted at the crabbing and fishing pier and not along the boat slips or docks on the south side of the Island.

Please note there is no ramp for boat/jet ski put in and no trailer storage on Sunset Island property. A public boat ramp can be found at 87th Street and Bering Road. Trailer storage is available at the municipal parking lot on 100th Street. Advanced Marina can also provide trailer storage and put your boat in the water for a fee. Please call 410-723-2124.

There are several locations in Ocean City that offer boat rides and boat rentals. Visit any local marina, or check the Ocean City visitors' guides and website for more information.

## Bayside Pier

A 100 foot pier is located at the end of Sunset Island Drive extending into the bay. The pier is the only location on the Island where fishing and/or crabbing is permitted.

- When using the pier, please clean up any trash, fishing lines, hooks, bait etc. when finished and dispose of properly.
- Shallow water – no swimming or diving in this area.
- No boat, jet ski, or watercraft access or mooring is permitted.
- Any equipment left unattended on the pier will be discarded.

## Trash Collection

In season, trash is collected by the Town of Ocean City on Tuesday and Friday. Trash containers located in the garages of the Townhouses and Singles should be put along the alleyways behind the homes by 6 a.m., and returned to the home promptly after trash pick-up. Trash containers are not permitted to be on the streets after 6 p.m. on the day of pick-up. Please be sure to get all of your trash into the containers and close the containers. Open trash and trash in plastic bags placed on the street are not permitted. If your trash container is missing or damaged, please call your rental company or Ocean City Department of Solid Waste at 410-524-0318, for replacements.

The condominium buildings have trash chutes located next to the elevators. All trash should be sent down the trash chute before your departure. Trash too large for the chute must be placed in the dumpster located in the garage.

## Construction Activity

Sunset Island is an active construction site. Construction activities will generate noise and other nuisances during the day. Please exercise care during your stay to avoid any unsafe conditions that might exist. Please stay out of units that are under construction and out of the areas where construction is occurring. We appreciate your patience and cooperation as we complete the build-out of the community.

## Environmental Protection Areas

Sunset Island has several Wetland Protection Areas around the perimeter of the Island. In order to help these plant and animal habitats thrive, we ask all residents and guests to never enter an area marked with a Wetland Protection Sign or sectioned off with dune fencing.

Poison ivy is a native plant that brings numerous benefits to the environmental protection areas. Poison ivy's fruit lasts through winter providing food for more than 60 species of birds. Poison ivy is left to grow on Sunset Island, so it is wise to avoid it. Please take a moment to point out poison ivy to children in order to avoid a very "itchy" stay at Sunset Island.

**Sunset Island is proud of the landscaping throughout the community.  
Please do not throw landscaping stones into the pond, canal or bay.**

### **An important note about Sunset Island...**

Our goal at Sunset Island is the satisfaction of our residents and guests. To that purpose we wish to remind all guests that living in an attached unit or condo building requires increased levels of sensitivity to one's neighbors. Guests should be cognizant that other residents are often located next to and/or under one's unit and should consider this fact in their daily activities. Please make every effort to keep intrusive noise to a minimum.
