

4255 Viewmont Road
Special Features and Upgrades

Exterior Features

- Updated ranch home in Earlsyville features fenced, flat rear yard with room to run.
- Concrete patio is perfect for grilling or outdoor dining.
- Freshly painted storage shed for yard equipment and tools.
- 30+ Arborvitae planted for privacy screening around rear property line.
- Mature landscaping throughout the property, and gutter guards on all gutters.
- Generator hookup and water softener.
- Oversized two car garage with 240v electric outlets has room for a workshop or extra storage.

Interior Features

- This three-bedroom home features hardwood floors, neutral paint and upgrades throughout.
- One level living for convenience.
- New cellular blinds in most rooms of the home.
- Large living room at front of the home is a great spot to gather.
- Updated kitchen features solid maple cabinets with an abundance of storage and expansive countertop work area, including breakfast bar. Stainless steel appliances include refrigerator, dishwasher and electric oven. You'll love the large pantry with washer/dryer adjacent to the kitchen.
- Eat-in dining area features ceiling fan with light fixture.
- Enjoy the outdoors year-round in the light-filled sunroom at the rear of the home.
- Owner's suite features oversized walk-in closet, and private bathroom with tub/shower.
- Two additional bedrooms, each with generous closets share a full bathroom.
- Flexible bonus room features built in bench and desk/cabinet area. This room is perfect as a home office, movie room, or den!
- Two pull down attic stairs (in hallway and garage) provide great storage options.
- Home features new interconnected smoke detectors and a smart thermostat for energy savings.
