Affordable and move-in ready, this 2-3 bedroom home offers generous living space and functional upgrades. The large living room flows to a separate dining area — perfect for family meals and entertaining — and the eat-in kitchen provides plenty of workspace. Newer vinyl flooring runs throughout for easy maintenance. Outside, low-maintenance metal siding and numerous replacement windows add curb appeal and efficiency. Comfort is handled with forced-warm-air heating and central air. Great value for buyers seeking practical, well-maintained living.
