Nestled in the scenic Bent Tree community of the North Georgia Mountains, this beautifully remodeled home blends modern comfort with mountain charm. Built in 1988 and thoughtfully updated, it sits on the 15th tee box with lovely golf course views and a stream running through the backyard.

The home features a main-level primary suite, two spacious upstairs bedrooms, and a lower level with an additional bedroom, bathroom, and partial kitchen—ideal for guests, multi-generational living, or extra flexibility. A two-car drive-under garage and level driveway provide easy access, while the screened porch, deck, and peaceful backyard offer inviting outdoor living.

Recent updates include interior paint in 2025, luxury vinyl tile flooring, a new furnace, air purifier, and a roof approximately 3-4 years old. Additional highlights include a breakfast room, separate dining room, radon mitigation system, and whole-house generator.

Bent Tree spans 3,500 acres and offers 24/7 security, a private stocked lake, golf, tennis, pickleball, pools, beach area, hiking trails, waterfalls, clubhouse, restaurant, dog park, and more.
