Spacious 3-4 bedroom walk-out ranch home in Zobel's Addition offers an excellent combination of space, comfort, and flexibility. The main level features an inviting open-concept living area with vaulted ceilings extending across the living room, kitchen, and dining area. The primary bedroom features a walk-in closet plus an adjoining living room area. This versatile space could easily serve as a private sitting room, office, exercise area, or additional bedroom space. The walk-out lower level features a large family room and guest bedroom suite —perfect for entertaining or guests. With its corner location, covered entertaining backyard deck, flexible bedroom options, and generous lower-level space; this home offers plenty of room to make it your own.
