

Thank you for working so hard to earn my business. I cannot WAIT to meet you.

I appreciate beyond measure what you've done just in-so-far to help me find a home for our family. Relocating to a different state is more challenging than I imagined.

I just want you to know that you've done well above others, truly. I can say that objectively, as I contacted other agents initially, in the WV and VA as well as MD area, but they didn't put forth the response or legwork you did and continue to do.

I keep receiving automated reports from their sites under our criteria, however have not had ANYONE but you that has responded appropriately or timely to my questions. I don't bother them anymore.. har. I realize we're not a million+ property buyer, but that doesn't mean we don't know one that we'll refer to you one day. :) You have my undivided attention in house-hunting, as I know I have yours; I trust you implicitly.

Thanks beyond measure,

Laura P.

Sandra and I want to send a huge THANK YOU to you for all you did for us in locating our house. You impressed us in many ways...but, above all, it was clear that you were genuine and honest in all you told us about home buying and we never asked a question that you failed to answer. We never felt like we were being pressured into a purchase. Another of your mannerisms that impressed us was your willingness to show us property on our schedule and even when you had other commitments and couldn't personally be there for us you always arranged with a Realtor colleague of yours to show us the property about which we were inquiring. One occasion we will never forget was when you were on your way to another state to attend a funeral and on the way there you arranged for a colleague to show us two properties. Then after the funeral you telephoned us to see how things went...talk about service with a capital "S"!! Your friendliness and your willingness to help us through the lengthy closing of the property we purchased will never be forgotten. Again, we say THANK YOU, Jennifer, for making the purchase of our property a pleasant experience.

Don & Sandra

Thank you for everything and your professionalism throughout. Agreed, one of the more clutch transactions, however, it was great to have you as the listing agent. Please extend my gratitude to your husband as well for his assistance during the end of the transaction. I truly look forward to doing business with you in the future. Warmest Regards,

Branden

Kerry, I just wanted to thank you again for all of your help. You would not believe the change in the way the home looks. We have a hundred boxes to unpack still but it still looks great! Painted, new carpet, and new kitchen floor! The neighbors are very nice, and it really seems to be a great neighborhood. We couldn't be happier. I have some of your business cards and will be sure to hand them to anyone I hear looking to buy! Thanks for helping to make our dream come true!

Julie

I just wanted to take the time out again today to say thank you for all of your hard work in getting the purchasing of my new home accomplished in such short period of time. It is much appreciated, and my husband and I wanted to say thank you again.

Dee
