## **SOLAR ENERGY BOOTCAMP ANNOUNCES NEW SOLAR ENERGY JOB-TRAINING PILOT PROGRAM FOR AMERICA'S VETERANS**

In Honor Of Veterans Day – Solar Energy Bootcamp Announced Today, It Will Train And Hire **5,000 American Veterans**, Over The Next 5 Years, To Be '**SOLAR ENERGY SPECIALIST**'.

Recently, [The White House Announced](#), That Starting This Fall, The Federal Government Will Begin Training 50,000 American Veterans over the Next 5 Years To Be Solar Energy Installers.

Industry Association Experts And Other Data suggest Solar Energy is, and will continue to be, one of the Fastest Growing Career Fields for Veterans. The Field Is Huge and Business is BOOMING!

A Spokesperson for [Solar Energy Bootcamp](#) said: "We do two things:

1. We Teach Skills That Serve America's Veterans For A Lifetime.
2. We Match Ready To Work American Veterans To In Demand Jobs.

And Our Philosophy is Simple:

***"Give A Man Or Women A Fish And They Eat For A Day,  
Teach Them How To Fish And They Eat For A Lifetime"***

When students leave the [Solar Energy Bootcamp](#), in roughly 12 weeks, they will have learned a skill that supports a career and a family, and not just a job. A Career They Can Be Proud Of.

[Solar Energy Bootcamp](#) helps to lay a solid foundation for students entering the industry and for those continuing on to learn other areas of the Solar Energy Industry, Including Advanced Skills.

[Solar Energy Bootcamp's](#) intensive 12 week full time training, will help prepare students for careers in the solar industry as installers, sales professionals, system designers, system inspectors, and other solar-related occupations. Next Class Starts Jan 12, 2014 and Registration Begins Dec 1, 2014
