Registration and Depository Participation. The Bonds will be issued by means of a book-entry-only system and no physical distribution of bond certificates will be made to the public. One Bond certificate for each maturity will be issued to the Depository Trust Company, New York, New York (“DTC”), and immobilized in its custody. The book-entry-only system will evidence beneficial ownership interests of the Bonds in the principal amount of \$5,000 and any integral multiple of \$5,000, with transfers of beneficial ownership interest effected on the records of DTC participants and, if necessary, in turn by DTC pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., nominee of DTC. Interest on the Bonds will be payable semiannually and principal of the Bonds will be payable, at maturity or upon redemption, to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to Beneficial Owners of the Bonds by Participants of DTC, will be the responsibility of such participants and of the nominees of Beneficial Owners. Neither the City nor KUB will be responsible or liable for such transfer of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In the event that the book-entry-only system for the Bonds is discontinued and a successor securities depository is not appointed by the Board, Bond Certificates in fully registered form will be delivered to, and registered in the names of, the DTC participants or such other persons as such DTC participants may specify (which may be the indirect participants or Beneficial Owners), in authorized denominations of \$5,000 or integral multiples thereof. The ownership of Bonds so delivered shall be registered in registration books to be kept by the Registration Agent (named herein) at its principal corporate trust office, and KUB and the Registration Agent shall be entitled to treat the registered owners of the Bonds, as their names appear in such registration books as of the appropriate dates, as the owners thereof for all purposes described herein and in the resolutions authorizing the Bonds.

Security Pledged. The Electric Bonds, the Gas Bonds, the Water Bonds and Wastewater Bonds will be issued pursuant to and secured by the Electric Bond Resolutions, the Gas Bond Resolutions, the Water Bond Resolutions and the Wastewater Bond Resolutions, respectively, and will be payable solely from the net revenues of the applicable System, as further described herein.

Rate Covenants. The City's bond resolutions require the Board to fix rates and collect charges for services, facilities and commodities furnished by the Systems so as to provide revenues sufficient to pay, as the same shall become due, the necessary expenses of operating and maintaining the Systems, as defined below, and all other obligations and indebtedness payable out of revenues of the respective Systems.

Purpose. The Bonds are being issued to provide funds to pay the costs of extension to and improvements to the Electric System, the Gas System, the Water System and the Wastewater System (collectively, the "Systems"), and the payment of legal, fiscal, administrative and engineering costs incident thereto and incident to the issuance and sale of the Bonds.

Optional Redemption. The Electric Bonds maturing on and after July 1, 2026 will be subject to redemption prior to maturity at the option of the Board on or after July 1, 2025 at the redemption price of par plus accrued interest as provided herein. The Gas Bonds maturing on and after March 1, 2026 will be subject to redemption prior to maturity at the option of the Board on or after March 1, 2025 at the redemption price of par plus accrued interest as provided herein. The Water Bonds maturing on and after March 1, 2026 will be subject to redemption prior to maturity at the option of the Board on or after March 1, 2025 at the redemption price of par plus accrued interest as provided herein. The Wastewater Bonds maturing on and after April 1, 2026 will be subject to redemption prior to maturity at the option of the Board on or after April 1, 2025 at the redemption price of par plus accrued interest as provided herein.

If less than all the Bonds shall be called for redemption, the Board, in its discretion, shall designate the maturity or maturities which will be redeemed. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

- (i) if the Bonds are being held under a Book-Entry-Only System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or
- (ii) if the Bonds are not being held under a Book-Entry-Only System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

Term Bond Option; Mandatory Redemption. Bidders shall have the option to designate certain consecutive serial maturities of the Bonds as one or more term bonds ("Term Bonds") bearing a single interest rate. If the successful bidder for the Bonds designates certain consecutive serial maturities of the Bonds to be combined as one or more Term Bonds as allowed herein, then each Term Bond shall be subject to mandatory sinking fund redemption by the Board at a redemption price equal to one hundred percent (100%) of the principal amount thereof, together with accrued interest to the date fixed for redemption at the rate stated in the Term Bonds to be redeemed. Each such mandatory sinking fund redemption shall be made on the date on which a consecutive maturity included as part of a Term Bond is payable in accordance with the proposal of the successful bidder for the Bonds and in the amount of the maturing principal installment for the Bonds listed herein for such principal payment date. Term Bonds to be redeemed within a single maturity shall be selected in the manner provided above for optional redemption of Bonds within a single maturity.

Bidding Instructions. Bidders are requested to name the interest rate or rates the Bonds are to bear in multiples of one-eighth of one percent and/or one-hundredth of one percent (.01%) or one (1) basis point, but no rate specified shall be in excess of five percent (5.00%) per annum for the Bonds. There will be no limitation on the number of rates of interest that may be specified in a single bid for the Bonds, but a single rate shall apply to all Bonds of a single maturity. Bidders must bid

not less than ninety-nine and one-quarter percent (99.25%) of par or more than one hundred and twenty-five percent (125%) of par for all of the Bonds.

Electronic bids for the Bonds must be submitted through BiDCOMP™/PARITY™ and no other provider of electronic bidding services will be accepted. Subscription to i-Deal LLC Dalcomp Division's BiDCOMP™ Competitive Bidding System is required in order to submit an electronic bid. Neither the City nor KUB will not confirm any subscription nor be responsible for the failure of any prospective bidders to subscribe. For the purposes of the bidding process, the time as maintained by BiDCOMP™/PARITY™ shall constitute the official time with respect to all bids whether in electronic or written form. KUB, the Board, the Bond Counsel and the Financial Advisor shall not be responsible for any malfunction or mistake made by or as a result of the use of the electronic bidding facilities provided and maintained by PARITY™. KUB reserves the right to reject all bids for the Bonds or any series of the Bonds and to waive any informalities in the bids accepted.

Unless all bids for any series of the Bonds are rejected, each series of the Bonds will be awarded to the bidder(s) whose bid complies with this notice and results in the lowest true interest rate on that series of the Bonds to be calculated as that rate that, when used in computing the present worth of all payments of principal and interest on the Bonds (compounded semi-annually from the date of the Bonds), produces an amount equal to the purchase price of that series of the Bonds exclusive of accrued interest. For purposes of calculating the true interest cost, the principal amount of Term Bonds scheduled for mandatory sinking fund redemption as part of the Term Bond shall be treated as a serial maturity in such year. In the event that two or more bidders offer to purchase a series of the Bonds at the same lowest true interest rate, the President and CEO shall determine in her sole discretion which of the bidders shall be awarded the Bonds.

After receipt of the bids, the Board, or the President and CEO of KUB, as its designee, reserves the right to make adjustments and/or revisions to the Bonds, as described below.

Adjustment and/or Revision. While it is the KUB's intention to sell and issue the approximate par amounts of each respective series of the Bonds as offered herein, there is no guarantee that adjustment and/or revision may not be necessary in order to properly size each series of Bonds. Accordingly, the President and CEO, as the Board's designee, reserves the right, in her sole discretion, to adjust down the original par amount of each series of the bonds by up to twenty-five percent (25.0%). The primary factor that will be considered in adjusting the par amount is the amount of premium, if any, that is bid. Among other factors the President and CEO as its designee, may (but shall be under no obligation to) consider in sizing the par amounts and individual maturities of the Bonds is the size of individual maturities or sinking fund installments and/or other preferences of KUB. KUB also reserves the right to change the dated date of the Bonds. The maximum adjustment will take place only if the maximum bid is received.

Good Faith Deposit. No good faith check will be required to accompany any bid submitted. The successful bidder shall be required to deliver to the KUB's Financial Advisor (wire transfer or certified check) the amount of up to two percent (2%) of the aggregate principal amount of the Bonds offered for sale which will secure the faithful performance of the terms of the bid. A certified check or wire transfer must be received by the KUB's Financial Advisor no later than the close of business on the day following the competitive sale. A wire transfer may be sent to First Tennessee Bank, ABA Number: 084-000-026 First Tenn Mem, FAO Cumberland Securities Company, Inc., Account No. 183302631, for further credit to Good Faith Trust Account.

The good faith deposit shall be applied (without interest) to the purchase price of the Bonds. If the successful bidder(s) should fail to accept or pay for the Bonds when tendered for delivery and payment, the good faith deposit will be retained by KUB as liquidated damages.

In the event of the failure of KUB to deliver the Bonds to the purchaser in accordance with the terms of this Notice within forty-five (45) days after the date of the sale, the good-faith deposit will be promptly returned to the purchaser unless the purchaser directs otherwise.

Establishment of Issue Price

General. The winning bidder shall assist KUB in establishing the issue price of the Bonds as more fully described herein. All actions to be taken by KUB under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of KUB by KUB's financial advisor identified herein and any notice or report to be provided to KUB may be provided to KUB's financial advisor.

Anticipated Compliance with Competitive Sale Requirements. KUB anticipates that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- KUB shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- all bidders shall have an equal opportunity to bid;
- KUB expects to receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

As set forth in the PRELIMINARY OFFICIAL STATEMENT, the owners of the Bonds, however, may be

subject to certain additional taxes or tax consequences arising with respect to ownership of the Bonds, reference is hereby made to the PRELIMINARY OFFICIAL STATEMENT and the form of the opinion contained in Appendix A.

Continuing Disclosure. At the time the Bonds are delivered, KUB will execute a Continuing Disclosure Certificate in which it will covenant for the benefit of holders and Beneficial Owners of the Bonds to provide certain financial information and operating data relating to KUB by not later than twelve months after each of KUB's fiscal years, (the "Annual Report"), and to provide notice of the occurrence of certain enumerated events. CUSIP Numbers. CUSIP numbers will be assigned to the Bonds at the expense of KUB. KUB will assume no obligation for assignment of such numbers or the correctness of such numbers, and neither failure to record such numbers on Bonds nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and make payment for the Bonds.
