**Vancouver, British Columbia**

**Sutton Place Hotel**

**November 19th 20th and 21st, 2019**

**Toronto, Ontario**

**Holiday Inn Toronto Airport**

Join the Canadian Region for our 15<sup>th</sup> Annual Workshop.

The purpose of these workshops is to create a forum of topical elevator issues and to help promote the standardization of Safety Codes for Elevators, Escalators and related equipment. The workshops bring inspectors, mechanics consultants and others in the elevator industry together from all over the world to exchange ideas and learn.

**Registration and Agenda details to follow.**
