Atticus Finch Courage in To Kill a Mockingbird

Harper's novel "Kill Mockingbird" was published in 1960 and is one of the few American classics that won the Pulitzer Prize. Racial discrimination spread in many towns of South America in the 1930s was presented in a deep image of "killing Robin." There are several words in the book, but the real hero is the narrator's father, Atticus Finch. He is a man with integrity and wisdom. Atticus is not just a person, he is a very heroic figure, he has in principle, determination, and more importantly the qualities he teaches to others.

Atticus Finch in Mockingbird Atticus Finch is a lawyer in the town of Maycomb of Harper Lee's novel To Kill a Mockingbird's two children Jem and Scout Finch's father. He is a man with a wise personality and a thoughtful heart. He understands his own ethics and will try to help the child grow, succeed, and be happy. These people prejudiced throughout the field and the majority of their comments were dissatisfied with the incident and the role of Attikas. Their last appearance was that they became the first to climb the stairs to the balcony without deliberately allowing the population of African Americans to proceed. After the final ruling of Robinson case, Bob Iwell pulled out two stunts to complain about the outcome of the trial.

The English article "Killing a Robin" about killing Robin is a famous celebrity. Prior to Atticus Finch, Finch had a customary tradition at landing. And this tradition existed from the time Simon Finch died home there at home. The custom of tradition is that "a man in the family has yet to land at the finch and live with cotton." - Why do you kill Robin publications? A good reason is that it is a wonderful

book about the dignity of the people who connect people of all kinds to kill Mockingbird. It helps students to understand that the life in the 1930s is not completely fair. The lack of humanitarian behavior is shocking and arouses the interest of some students and increases their knowledge about the history of the 1930s by telling stories from a child's point of view.
