The Forest Management Contract area "F" was awarded to Euro Liberia Logging Company. In the preparation of the Forest Management Contract area "F" notice was given and surveys conducted in a portion of the affected communities. The purpose of this surveys was to validate whether the area was suitable for commercial forest practices based upon ecological, economic and social consideration. As part of this survey, the affected communities were informed of the potential FMC in the vicinity and the requirements for a social agreement. As a result of this, the FDA secured a statement on behalf of affected communities around the FMC area "F" that they intend to negotiate a social agreement in good faith with the winner of the competitive bid.

#### SECTION I. PURPOSE/ OBJECTIVE:

The Social Agreement is an agreement, between communities around a given logging contract area and the logging company authorized to operate in that area, which establishes the relationship between community and company.

The Social Agreement is an agreement required by FDA Regulation No. 105-07 between any company that plans to harvest timber and the affected communities that could be affected by their commercial activity.

The Social Agreement are:

- a. Only established between companies that have been authorized by the FDA through the competitive bidding process and affected communities;
- b. To establish a code of conduct regarding rights and responsibilities of the company and affected communities.
- c. To establish the financial benefits for all affected communities with respect to section 34 of FDA Regulation No. 105-07 on Major Pre-felling Operation under Forest Resource Licenses.
- d. Negotiated directly between company and local communities; and attested to and regulated by the FDA. However, the FDA does not play an active role in the negotiation process beyond serving as a facilitator or mediator if discussions break down.

#### SECTION II. STATEMENT OF MUTUAL BENEFIT AND INTEREST:

The Euro Liberia Logging Company and Forest Management Contract Area "F" Community Forestry Development Committee (CFDC) of River Gee communities, strive to engage in a

GAD

mutually beneficial relationship by agreeing to the terms of this agreement. Working cooperatively in the on-going implementation of the FMC will allow the affected communities and the Euro Liberia Logging Company to achieve their respective goals:

In consideration of the above premises, the parties hereto agree as follows:
