

AdCritic

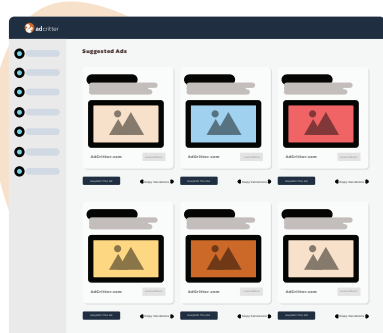

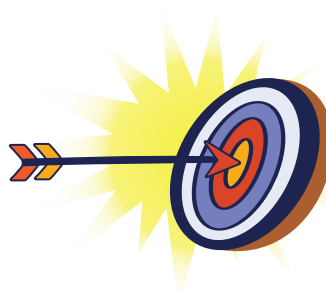

Ad Creation. Ad Targeting. Top Sites.

Powerful Advertising Technology for Your Small Business

Until now, the best advertising tools were out of reach for small businesses. With AdCritic, that's changed. We've taken the powerful targeting tools that big businesses have used for years and made them simple, effective and affordable for you.

Powerful & Easy Targeting

The real magic of AdCritic is the incredibly powerful targeting tools available for your campaigns. With our easy-to-use interface, you can define exactly who to target and where they'll see your ads. Target your audience by demographic data, location or a number of other hyper-specific criteria. Getting the right ad in front of the right person is how businesses grow.

An Ad Builder Built for You

After signing up for AdCritic, select your business type and you'll immediately have access to a huge library of pre-designed ads for your industry. That's how easy ad creation is. Customizing these ads is fast and simple, and there are lots of free, high-quality image options to choose from. Or you can upload your own. If you decide to put "ad designer" on your resume, we won't judge. Your secret is safe with us.

Put Ads Where YOU Want Them

Finally, AdCritic makes it possible for you to select the types of websites where you want your ads to appear. Looking to reach your audience on cooking sites? News outlets? eCommerce giants? They're all options. And, if you want to get really specific, you can hand-select the sites where the ads will show up.
