

ABOUT IRISH TITAN

Irish Titan builds and grows ecommerce channels, using only Titans (otherwise known as employees...no contractors, freelancers, or offshore resources) to deliver “Business First. Online Second.” solutions. Our clan includes strategists, creative, and engineering Titans, providing our clients with a high touch “Partnerships, Not Transactions” experience.

WHAT

WHAT MAKES US DIFFERENT

UNLIKE DEV SHOPS...

We have crazy creative, marketing, and strategy chops. We like seeing the whole picture, end to end. We're no one-trick pony, we have so many tricks.

- Full UX/UI, including Design and Creative
- Digital Marketing, SEO, Email
- Content Creation and Copywriting
- Paid Media Management
- Onsite Optimization

UNLIKE MARKETING SHOPS...

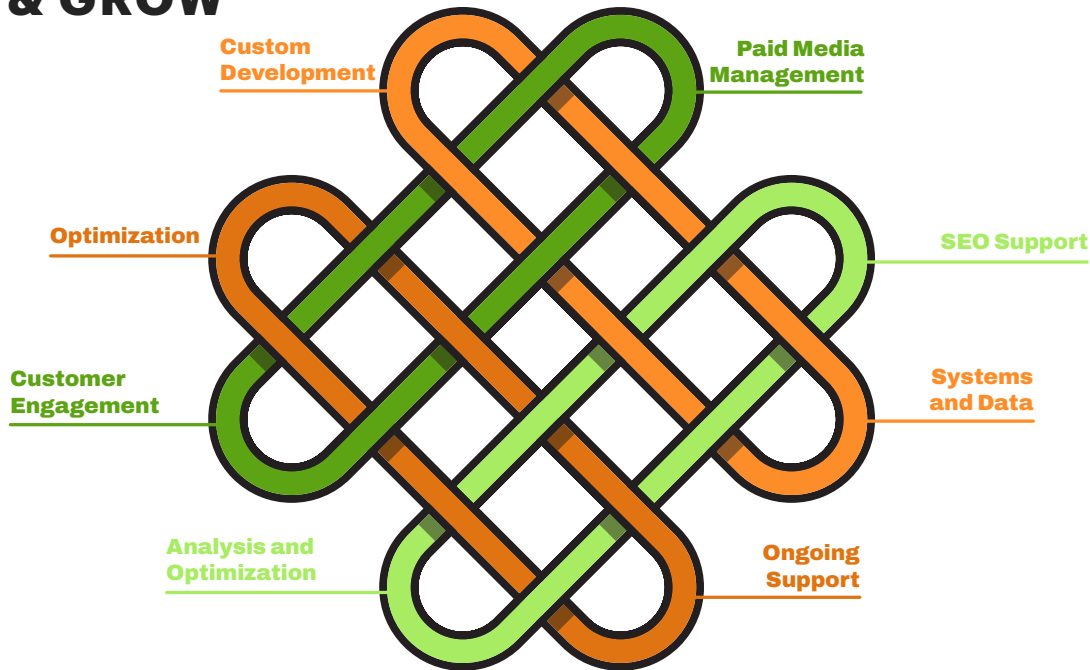

We have crazy dev skills. We're not worried about making things pretty, we're about solving problems. That's “Business First. Online Second.SM”

- Front and Back-End Development
- Data Hygiene and Migration
- Extensive Integration Experience
- Scoping and Requirements Definition
- Support, Maintenance, and Hosting

"Irish Titan worked closely with Tradehome to build our ecommerce presence. Their passion was on display every day, and their ability to weave together their strategy, marketing, design and development Titans were exactly what we were looking for. Plus, their shenanigans go well with all the hard work that goes into a good ecommerce channel."
