

As a Disability-Owned Business Enterprise (DOBE), we bring a unique perspective and set of benefits to the table that can greatly enhance any diversity and inclusion initiative.

OUR SERVICES:

Staffing

Provide resources on a contract and contract-to-hire or direct hire basis to support critical objectives

Talent Creation & UpSkilling

Our {dev10} division recruits, trains and deploys high-aptitude U.S. resources for software and data roles

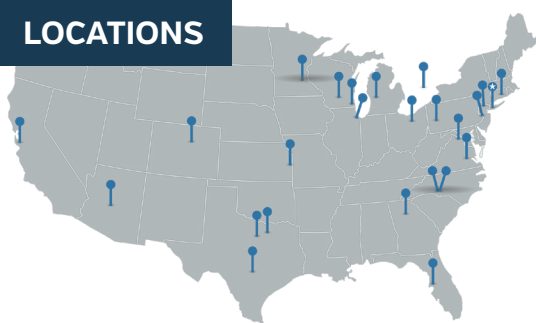

Digital Consulting

Focuses on enabling clients to better leverage their data & technology to create greater business value

Flexible Workforce Solutions

Our North American IT and Operations Delivery Centers manage your workforce in a secure, scalable, remote and collaborative environment, specializing in high demand and hard-to-find skillsets.
