Your Connection to Professional Truck Drivers.

Permanent, Seasonal, Temp to Perm and Flex (Class A & B, Non-CDL)

We continue to raise the bar for driver placement services with safety-first hiring standards and 50 years of driver workforce expertise, all delivered at the highest level of excellence. At CPC, we strive to make the driver process easy: You set the driver requirements, we do the rest.

What WE Do:

- | We recruit, interview, screen and hire qualified, professional drivers
- | We handle payroll including all deductions and expenses
- | We ensure compliance with DOT/MOT/CSA and perform safety training
- | We provide Driver Qualification (DQ) Files easily shared through the cloud

Ways YOU Benefit:

- | You get the experienced, safe and dependable driver you need, when you need it
- | You reduce your liability as an employer
- | You have a proven resource to meet your peak and seasonal needs
- | You test-drive your temp driver and have the option to hire
- | You spend your time handling your core business and let us handle the driver
- | You deliver the consistent service your customers and clients expect

When you need a driver, call CPC. We're here when you need us.
